Greetings from the President

Our club president is out of town on military duty, so Josh Newby, one of our newest board members, generously offers his thoughts in this month's newsletter.

Fellow Tigers,

During the past few years, Panhandle Tiger Bay and its members have been audience to a new era of dynamic changes in American society. Now, we are shifting our role from audience member to active participant. With diverse, brilliant and sometimes controversial speakers, we don't just hear leaders talk-we talk right back.

We have an accomplished board and longtime members that combine the wisdom of yesteryear with the enthusiasm of our young generations. Many of our local leaders are happy to speak without a fee for the chance to engage our club, but as we transition to a more commanding presence in the community, we must occasionally attract nationally prominent speakers who seek to be reasonably compensated for their travel and other expenses.

That's where you come in. Help bring policy-influencers and corporate pioneers alike to Pensacola so they know that the Gulf Coast has just as much interest in our world as the coastal hubs of commerce. By expanding our membership even more, we can grow our area's civic foundation and continue to be a voice of reason and intellectualism for generations to come.

Sincerely,

2 luncheon tickets, your logo will be on display on the Sponsor Board at every luncheon and will be included in all Panhandle Tiger Bay media coverage prior to specific luncheon.

Friend of Tiger Bay - This includes 1 guest luncheon ticket and recognition of your business at the luncheon.
